Re: Petition of the South Carolina Telephone Coalition for a Determination  
that Wireless Carriers are Providing Radio-Based Local Exchange  
Services in South Carolina that Compete with Local Telecommunications  
Services Provided in the State.  
Docket 2015-290-C

Dear Ms. Boyd:

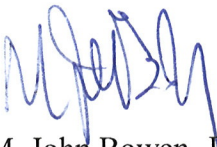

The South Carolina Telephone Coalition ("SCTC") has received the CTIA's Motion to Dismiss Petition, or in the Alternative, Expand Scope of Proceeding, and to Suspend Case Schedule. I am writing to advise the Commission that SCTC will respond to this motion in the near future. The SCTC does not believe that the Commission should suspend the established case schedule in this matter, and the SCTC has met the Commission's deadline for the filing of direct testimony today. Indeed, we believe that the parties' testimony could be helpful to the Commission's consideration of CTIA's motion. Suspension of the current schedule for the case would result in undue delay and deprive the Commission of useful evidence.

Therefore, we respectfully ask the Commission to keep its present scheduling order in place so that this case can be heard, as scheduled, on November 3, 2015.

We thank the Commission for its consideration.

Very truly yours,

McNAIR LAW FIRM, P.A.
